**VOTE E LITTLE ACORNS PRE-SCHOOL**

**Who are we?**  
Little Acorns Pre-School operates in the Community Room and its playground on Stukeley Meadows. We provide care and education for around 50 local children each year, aged from two years nine months up to school age. We are a registered charity and are run by a voluntary management committee.

**Why we need the money?**  
Our 20-year-old tables and chairs are used daily for gluing, drawing, painting, building, role-play and cooking activities, to name a few. They are showing signs of age now. As a charity, we fundraise for new toys but we need some financial help to update our furniture.
